Reports:

See our website for board meeting minutes and general meeting minutes.

Our May General Meeting had Vice President Rick Tejera presenting installing antennas in a HOA. He went into details about site lines between streets and backyards for houses with options for condos, etc. We had a recent record attendance as these issues affect many of our members as they downsize for retirement. See photos below. Rick is in a black shirt front right in the first image, left of center in the second. Photos credit Clair Wyant.
